17-19-2020 AM

Text - Isa. 26:3

- Intro. - This amazing promise was given to Israel/Judah in the darkest period of her history. Surely it will help us in the Church Age when we are surrounded by down<sup>cast</sup>, <sup>depression</sup>, depression & doubt, & fear & worry.
- It should not be read in some superficial, passing way but with a deep trust that God promises us something better than the world could ever offer.
  - In a day when we celebrate liberty/freedom or what good are they if we have no inward peace?
