

## ABOUT US

Faith Baptist Christian Academy is fully accredited by the National Association of Private Schools(NAPS). We offer a learning experience presented from a Christian perspective. Our staff, with over 30 years of combined experience, will create a fun-loving atmosphere geared toward the fundamentals of education. With smaller class sizes, our staff is allowed to focus on the individual success of the students. We use "A Beka Book" curriculum. This curriculum is taught from a Christian perspective. Each student will learn the fundamentals of education, while learning the importance of kindness, respect, and a heart directed toward the benefit of others.
