Are We Different?

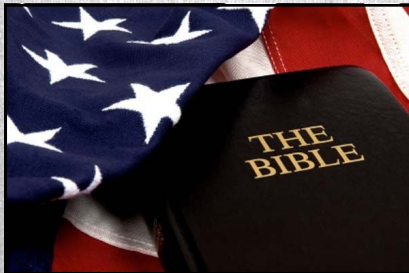

Giving your children excellence in education is one of the best investments you can make as a parent. Since 1979, Faith Baptist Christian Academy has been providing excellence in education for our students.

ARE WE DIFFERENT?

We offer a quality Christian education in a warm, friendly atmosphere. Our purpose is to give Christian training along with a solid academic foundation for the average and above average child. Academic standards are high with added emphasis on patriotism and character training. All subjects are taught from a Christian perspective and the Bible (KJV 1611) is treated with respect. Combine this with one of the best academic and sports programs anywhere and you decide if you are different or not.

About the School

Experience the Local Attractions

Ludowici, Georgia is nestled perfectly between two world renown tourist locations...the historical City of Savannah and the beautiful Coast of the Atlantic Ocean where you find the exquisite beaches of St. Simons and Jekyll Islands. Each location, as well as many others, offer a range of activities, such as shopping, visiting historical museums, engaging in a variety of sporting events, and if those do not suit you, there is always relaxing on one of our gorgeous beaches.

Georgia's coasts and historical cities are welcoming, but what about locally in Ludowici? The friendly city of Ludowici definitely has a small town feel and is known mostly for its outdoor activities, such as hunting, fishing, and camping.

Dedicated Faculty

Our teachers provide students with excellence in academics as well as Christian values. Parents repeatedly tell us how much they appreciate our loving and caring faculty. In addition, our teachers and staff members are qualified to work with students at all levels of education. These men and women have dedicated themselves to Christian education and they REALLY CARE about the children.

We believe that the Bible should be at the heart of our curriculum as we seek to develop children in some of the primary aspects of education, namely:

WISDOM– The academic training children receive designed to build strong character.

STATURE– The physical development children receive that is healthy and fun.

FAVOR WITH GOD– Spiritual growth and better understanding of God's Word.

FAVOR WITH MAN– The development of children to know how to live in relation to others in society.

If these are the goals and aspirations you have for your children, then you may want to pray about being a part of FBCA.
