

SCHOOL BULLETIN BOARD

BAD WEATHER

This is a reminder that Faith Baptist Christian Academy follows the Long County Public School System in relation to inclement weather. Please check the local news for a listing of school closings.

In the event of bad weather, listen to the local radio & TV stations for announcements regarding the closing of the school. The fastest way to determine closings is to call the school office (912) 545-9136.

You may also call Mrs. Massey (912-202-8020) or Bro. Kicklighter (912-294-4337) if you have any questions or concerns.
