

Peter calls these "PRECIOUS" promises. Peter liked that word.

He uses it at least 5 times in his two books:

1. Precious Faith- (1 Peter 1:7, 2 Peter 1:1),
2. Precious blood- (1 Peter 1:19),
3. Precious stone- (1 Peter 2:4-6),
4. Precious Lord- (1 Peter 2:7) and
5. Precious promises- (2 Peter 1:4).

A promise from God is a statement we can depend on with absolute confidence. How many promises do you think there are in the Bible? 3,000? 30,000? 379? 1,311? It might surprise you to know that according to Dr. Reg Dunlap there are approximately 30,000 promises in the Bible!

These are certainly timeless treasures. They are great and precious because they come from a great God who can do the impossible and they lead to a great successful life
