

Why Choose Christian Education?

While no school is perfect, an authentic Christian school will provide numerous spiritual, academic, and social benefits which will pay dividends for life and eternity.

- God commands Christian parents to provide a Bible-based education for their children from birth to maturity (Proverbs 22:6, Ephesians 6:4).
- A Christ-centered philosophy provides a strong foundation through the teachings of the Christian home, church, and school.
- Teachers who love the Lord, the church, their students, and teach positively will influence their students.
- Positive peer pressure is nurtured in a Christian school.
- Excellent academics and fine arts training better equip the students.
- The Christian school fosters a caring and safe environment.
- Teachers give individual attention.
- Students enjoy greater success after graduation.
- Christian schools develop Christian leadership, patriotism, and service.
- Public education is based on a man-centered philosophy
